- (j) For purposes of this chapter, a conviction or plea of guilty or nolo contendere shall be ignored as to any offense for which a defendant who was allowed to avail themselves of the state First Offender Act, O.C.G.A. § 42-8-60 et seq., as amended. - (c) If a license is surrendered or a licensee severs his association with a licensed establishment, the establishment may continue to sell alcoholic beverages for a period of 45 days from the date of surrender, or from the date determined by the board of commissioners to be the date of severance, provided no such sale shall be authorized until such time as a new application for a license is made. The application shall indicate that no change of ownership has occurred, except as excepted in this section. Upon issuance of a new license, the authorization to sell under the previous license shall be revoked by operation of law. - (e) Except as provided in subsections (a) through (d) of this section, any change in the ownership of any entity owning a licensed establishment shall cancel and revoke any license pursuant to this chapter automatically, without the necessity of any hearing.
- (f) Should a licensee make application to the board of commissioners for a transfer of location and should such a transfer of a location be approved, with no change of ownership of the business, the license fee paid for the previous license shall be applied to the new location. Each applicant for a transfer of location shall pay a transfer fee in the amount provided in the county fee schedule.
