Name of Contact Person for Applicant

For permission to make the following described utility installation or encroachment within the limits of Right-of-Way for the County maintained road known as _____.
Location of utility or encroachment to be installed: _____.

A detailed plan (drawing) of project shall be shown on a separate sheet and attached to Application.

SPECIAL PROVISIONS:

All utilities crossing the Right-of-Way shall be placed three feet below top of roadbed, dry bored, and in casing (NO CUTTING INTO ROADWAY). Utilities running parallel with Right-of-Way or roadway will be placed within the last 5 feet of Right-of-Way, 3 feet deep minimum. Cuts not to exceed 12" in width. Where Right-of-Way is ditch-to-ditch, Applicant must obtain its Right-of-Way. Applicant must also be responsible for calling for locates on all underground utilities.

The utility covered hereby shall be installed in accordance with the attached plan. Applicant expressly agrees to comply with and be bound by the plan. See special requirements (attached).

Permit requested this _____ day of _____, 20____. The signing of this permit application commits the applicant to the stipulations outlined in the permit.

By: _____
Applicant – Utility/Property Owner

This permit is to be strictly followed and no work other than that specifically described above is hereby authorized.

Date: _____ **Signed:** _____
County Road Superintendent

The installation described on this permit form has been completed in accordance with the provisions of the said permit and the plan attached hereto.

Date: _____ **Signed:** _____
County Manager
