Good Afternoon,

I am attaching my budget request for 2024. Abby, I apologize that I did not send in that form you sent me. I tried a few times to edit it from my computer but I was unable to make it look correct. I am not requesting any increases in my budget except for those changes in salaries noted in the above document. Can you let me know if this document will suffice or if you'd like I will print the other form and return it to you? Please let me know if you need anything from me. As always, thank you for your patience with me.

Thank you,

Penny Hunter
